

# PRATIBHA JAIN

## PROFILE

---

Motivated and passionate Full Stack Developer (Fresher) with a strong foundation in front-end and back-end development. Proficient in Python programming and experienced in building responsive web applications, RESTful APIs, and database-driven systems through academic projects and hands-on practice. Skilled in writing clean, efficient code, implementing basic data structures and algorithms, and optimizing application performance. Eager to learn new technologies, collaborate with teams, and contribute to real-world software solutions.
